

Application for logistics support at Greenland Institute of Natural Resources

Instructions:

*All fields in this form marked with * must be filled in by applicant before submission.
The completed form must be e-mailed to Greenland Institute of Natural Resources (GINR):
booking@natur.gl*

Reserved for GINR (Booking number)

Basic information

***a) Date of application (DD-MM-YY)**

b) GINR / GCRC project number – if available

***c) Project title**

***d) Name of principal investigator / project leader (PI)**

***f) Invoice address**

***i) PI e-mail address**

***j) PI phone number**

***k) Contact person while/if PI is in the field (Name, address, phone & e-mail)**

l) Brief description of project

Standard terms & conditions

- GINR is not able to undertake housing of customer equipment within or between field seasons.
- All special equipment and consumables - including weapons, clothing, equipment for communication, navigation and camping - necessary to carry out a project at GINR must be provided by the individual project itself.

- GINR will normally not charge services before they are completed. However, in all cases, GINR reserves the right to charge the full amount of any given service immediately after a booking has been agreed.
- All types of bookings may be cancelled by the costumer free of charge until 7 calendar days before delivery of the booked service. If the costumer cancels his booking later than 7 calendar days before completion – or does not show up at all at the time agreed - GINR reserves the right to charge the full amount of the service booked.
