This template shows an abstract format. The abstract should be a PDF file of no longer than two pages on an A4 sheet, including figures, tables, and references. File size, including tables and figures, must be smaller than 10MB in PDF format. Line spacing is fixed with 15 pt. The font used in the text is Times New Roman 11 pt. Please set the top and bottom margins as 20 mm and the right and left margins as 15 mm.

Please convert MS Word or another file format to PDF format before you submit the abstract. Your abstract PDF file can have an arbitrary name. If you do not have software to convert your documents to PDF files, there are several ways to do so, even via free software such as OpenOffice.
